A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

The PHA has maintained an extremely small waiting list. In fact, most applicants are housed within a month with the exception of the one bedroom for single families. The PHA participates with the Vernon Parish Coalition monthly which addresses community issues and concerns. One of the primarily issues is developing additional housing for the local community.

(1) Strategies

- ☒ Other: Participate in the Vernon Community Coalition to ensure coordination with broader community strategies.

Strategy 2: Increase the number of affordable housing units by:

Apply for additional section 8 units should they become available

- ☒ Leverage affordable housing resources in the community through the creation of mixed - finance housing
- ☐ Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- ☒ Other: Collaborate with community leaders to search for new areas of funding to increase the amount of rental units available for all residents of Leesville.
